3 The bus left ___ everyone was safely on board. Circle the better conjunction below, then explain your choice in one sentence.

- ☐ when
- ☐ if

4 The paragraph below contains three conjunction errors. Find each one and write the whole paragraph out correctly.

The children planted the seeds although the soil was warm and ready for spring. Miss Grant reminded everyone if they should water the trays every morning before class started. If nobody watered the seedlings for a whole week, tiny green shoots still appeared by the following Monday, which surprised the whole class.
